

The Association for Talent Development (ATD), formerly ASTD, is the world's largest association dedicated to those who develop talent in organizations.

Our chapter, Association for Talent Development – North Alabama (ATDNAL) seeks to provide leadership to individuals, organizations and the community to achieve work related competence, performance, and fulfillment. We look to take the knowledge, skills and abilities of others and help them to achieve their full potential.

Trainers are an open and dynamic group ready to share their knowledge of cutting edge training information in the areas of coaching, e-learning, instructional design, measurement and evaluation and live classroom training.

Contact our Vice President of Membership to take advantage of:
